**UNITED STATES DISTRICT COURT
FOR THE SOUTHERN DISTRICT OF NEW YORK**

In re XM SATELLITE RADIO COPYRIGHT
LITIGATION

MASTER DOCKET
06 Civ. 3733 (LAK)

This Document Relates to: 07 Civ. 4682 (LAK)

**DECLARATION OF
JENNIFER M. KEOUGH IN
SUPPORT OF PLAINTIFFS'
MOTION FOR DISTRIBUTION
OF THE SETTLEMENT FUNDS**

JENNIFER M. KEOUGH declares and states as follows:

1. I am the Chief Operating Officer of The Garden City Group, Inc. (“GCG”). The following statements are based on my personal knowledge and information provided by other GCG employees working under my supervision, and if called on to do so, I could and would testify competently thereto.

2. GCG was selected and engaged by the Parties and appointed by the Court in the above-captioned action (the “Action”) to serve as the Administrator as described in the Stipulation and Agreement of Settlement (the “Settlement Agreement”), and the December 6, 2010 Order Certifying Settlement Classes, Approving the Proposed Notice to the Class and Scheduling Hearing for Final Approval (the “Notice Order”). As

1 Administrator, GCG has implemented the terms of the Settlement, by, among other things:
2 (i) mailing the Notice of Proposed Class Action Settlement and Proof of Claim (the
3 “Notice Packet”); (ii) creating, maintaining and updating a toll-free hotline;
4 (iii) establishing, updating and maintaining a case specific website (www.NotavXM.com);
5 (iv) causing the Summary Notice to be published in *Billboard*, *Hollywood Reporter*,
6 *Variety*, *Daily Variety*, and *Music Week*; (v) receiving any requests for exclusion or
7 objections; and (vi) receiving and processing Claims, as described in detail in my
8 February 22, 2011 Declaration Regarding Notice Dissemination and Settlement
9 Administration (the “Notice Declaration.”)
10

11 3. GCG has completed the processing of the Claims and hereby submits its
12 administrative determinations accepting and rejecting the Claims in preparation for a
13 distribution of the Net Musical Composition and Net Sound Recording Settlement Funds¹
14 (collectively, “Net Settlement Funds”) to Eligible Musical Composition Settlement Class
15 Members and Eligible Sound Recording Settlement Class Members (collectively, “Eligible
16 Class Members”)². GCG also presents this Declaration in support of Plaintiffs’ Motion for
17 Distribution of the Settlement Funds.
18

19 DISSEMINATION OF NOTICE

20 4. As more fully described in my Notice Declaration, pursuant to the Notice
21 Order, GCG was responsible for providing individual notice to all persons identified as
22

23
24 ¹ The term “Net Musical Composition Settlement Fund” as used in this Declaration means the Musical
25 Composition Settlement Fund less all payments for fees (including attorneys’ fees and Plaintiff incentive
26 awards), costs, taxes, administration expenses, and reversions (if any) approved by the Court. The term “Net
27 Sound Recording Settlement Fund” as used in this Declaration means the Sound Recording Settlement Fund
less all payments for fees, costs, taxes, administration expenses and reversions (if any) approved by the Court,
as defined § I.25 of the Settlement Agreement.

² The terms “Eligible Musical Composition Settlement Class Member” and “Eligible Sound Recording
Settlement Class Member” as used in this Declaration means Settlement Classes Member(s) who did not opt
out and submitted valid Proofs or Claims that are determined by the Administrator to be entitled to share in the
respective Net Settlement Funds, as defined in §§ 2a. and 2b. of the Plan of Allocation.

1 potential Settlement Class Members in the Settlement Classes in this Action.
2 Specifically, in accordance with the Notice Order, the Mail Notice was sent by United
3 States first class mail, postage prepaid, between January 5 and January 14, 2011.

4 5. Further as more fully described in my Notice Declaration, the Settlement
5 Agreement and the Notice Order also directed that GCG cause the Publication Notice to
6 run once in the following music industry trade publications: *Billboard*, *Hollywood*
7 *Reporter*, *Variety*, *Daily Variety*, and *Music Week*. GCG confirmed that the Publication
8 Notice ran in *Billboard* on January 22 and 29, 2011, *Hollywood Reporter* on January 19
9 and 26, 2011, *Variety* on January 17 and 24, 2011, issue, *Daily Variety* on January 11 and
10 18, 2011, and *Music Week* on January 29 and 31, 2011.

11 **PROCEDURES FOLLOWED IN PROCESSING CLAIMS**

12 13 14 6. Under the terms of the Settlement Agreement, and as set forth in the
15 Notice, each Settlement Class Member who wished to participate in the Settlement was
16 required to complete and submit to GCG a properly executed Proof of Claim form by no
17 later than June 20, 2011, together with acceptable supporting documentation, if necessary.
18 To date, GCG has received and processed a total of 6,570 Claims, reviewing
19 approximately 67,625 images, including a substantial amount of supporting
20 documentation in a variety of forms, including but not limited to royalty statements.

21 22 23 7. In preparation for receiving and processing Claims, GCG: (i) conferred with
24 Class Counsel to define the project guidelines for processing Claims; (ii) created a unique
25 database to store Claim detail and images of Proof of Claim forms and supporting
26 documentation; (iii) trained staff in the specifics of the project so that Claims would be
27 processed accurately and efficiently; (iv) formulated a system so that telephone inquiries
would receive knowledgeable and consistent responses; (v) developed various computer

1 programs and screens for entry of Settlement Class Members' identifying information, as
2 well as their Sound Recording and/or Musical Composition information; and
3 (vi) implemented appropriate formulae for *pro rata* allocation of the Net Settlement
4 Funds, as described in the Plan of Allocation. Settlement Class Members seeking to
5 share in the Net Settlement Funds were directed in the Notice to submit their Proof of
6 Claim forms to a post office box address specifically designated for the Settlement. GCG
7 sorted incoming mail into Claims and administrative mail.³ Notice Packets that were
8 returned by the Post Office as undeliverable were reviewed for updated addresses and,
9 where available, new addresses were entered into the database and new Notice Packets
10 were mailed to the updated addresses. Administrative mail was reviewed and, where
11 necessary, appropriate responses were provided to the senders.

14 PROCESSING OF CLAIMS

15 8. Once received, Proof of Claim forms were opened and prepared for
16 scanning. This process included unfolding documents, removing staples, copying non-
17 conforming sized documents, sorting documents, and, where claimant identification
18 information was not provided on the Proof of Claim form, copying and sorting the
19 envelope with the return address. This manual task of preparing the Proof of Claim forms
20 is laborious and time-intensive. Once prepared, Proof of Claim forms were scanned into
21 a database together with all submitted documentation. Subsequently, a unique Claim
22 number was assigned to 878 claim submissions that did not already have a pre-assigned
23 Claim number. Once scanned, the information from each Claim, including: name,
24 address, telephone number, e-mail address, the Taxpayer I.D. or the Social Security
25

26
27 ³ Administrative mail includes all mail other than Proof of Claim forms, supporting documentation, and responses to deficiency notices (*i.e.*, Administrative mail includes requests for Proof of Claim forms, requests for change of address, and questions regarding the administration process or status of the administration).

1 Number of the claimant, the Name of the Legal Owner and any Sound Recording and
2 Musical Composition information on the Proof of Claim form, was entered into a
3 database developed by GCG to process Claims submitted for the Settlement.

4 9. On Exhibit A to the Proof of Claim Form “Sound Recording Claim Form,”
5 Claimants were instructed to provide answers to the questions as to: the propriety of their
6 claims to the preliminarily identified sound recordings; SoundExchange and Merlin
7 memberships; and any involvement in the *Atlantic Recording* action.⁴ Exhibit A also
8 contains a six-column grid for listing the details of claimed Sound Recording(s): the title;
9 featured artist; name of album; record label; % of legal ownership; and name of the
10 person or entity administering the claimed sound recording(s).

11 10. On Exhibit B to the Proof of Claim Form “Musical Composition Claim
12 Form,” Claimants were instructed to provide answers to the questions as to their status as
13 a publisher-principal of The Harry Fox Agency and any involvement in the Famous
14 Music settlement.⁵ Exhibit B also contains a four-column grid for listing the details of
15 claimed Musical Composition(s): the title; name of composer; percentage of legal
16 ownership; and name of the person or entity administering the claimed Musical
17 Composition(s).

18 11. In many instances, claimants hand-wrote in or typed in the details of their
19 claimed Musical Compositions, and frequently attached additional pages listing the
20 details of their claimed Musical Compositions. All hand-written and typed Musical
21 Compositions information had to be manually entered into the Settlement database. In
22 some instances, Claimants submitted supporting documentation electronically via disc or
23
24
25
26

27 ⁴ A sample formatted Proof of Claim Form was attached as Exhibit A to my Notice Declaration.

⁵ *Id.*

1 as an attachment to an email sent to the Settlement email address. Documentation
2 submitted electronically had to be analyzed and loaded into the database by the Systems
3 team.

4 12. As a result of both manual entry and loading of electronically submitted
5 details pertaining to claimed Sound Recordings and Musical Compositions, details of
6 366,724 claimed Sound Recordings and 401,416 claimed Musical Compositions were
7 entered into the Settlement database.
8

9 13. During the subsequent title analysis and review, GCG identified titles that
10 were potentially duplicative (meaning that that the same Claimant claimed the same
11 interest in the same work multiple times) for further review. In many instances, Musical
12 Composition information provided by Claimants indicated fractional ownership, for
13 example, if several heirs of a deceased composer each inherited a fraction of this
14 ownership in a composition. Musical Compositions where fractional ownership was
15 claimed also received careful additional review.
16

17 14. In order to further process the Claims, GCG utilized internal codes (also
18 known as “message codes”) to identify and classify types of Claims and any deficiency or
19 ineligibility conditions that existed within those Claims. The appropriate message codes
20 were assigned to the Claims as they were processed. For example, where a Claimant
21 submitted, but did not sign the Proof of Claim form, that claim would receive a Claim-
22 level message code that denoted ineligibility. Similar “Claim-level” ineligible message
23 codes were used to denote other ineligible conditions, such as duplicate Claims. These
24 message codes would indicate to GCG that the Claimant is not eligible to receive any
25 payment from the Net Settlement Funds with respect to that Claim unless the deficiency
26 was cured. Examples of “Claim-level” message codes are as follows:
27

003	Claim was submitted without signature
SSN	Taxpayer identification or Social Security Number was not provided or does not match records
DNE	No Exhibits Submitted
DSR	No Eligible Sound Recordings
DMC	No Eligible Musical Compositions
INC	Incomplete Claim

THE DEFICIENCY PROCESS

15. As described above, GCG utilized internal Claim codes to identify and classify types of Claims and conditions that existed within them. If a Claim was determined to be deficient for one or more reasons (for example, if the Claimant did not sign the Claim form, or did not provide a taxpayer identification number or a Social Security Number), GCG mailed a letter entitled “Deficiency Notice.” This letter described to the claimant the deficiency(ies) in his/her/its Claim and what, if anything, was necessary to cure the deficiency.

16. After consultation with Class Counsel, a total of 4,931 Proof of Claim forms were identified as deficient for one or more of the following reasons: lack of signature; missing taxpayer identification number or SSN; lack of Exhibit A or B (Musical Composition and Sound Recording Claim Forms); lack of eligible sound recordings or musical compositions, or lack of supporting documentation. The

1 Deficiency Notice required a submission of the appropriate information and/or
2 documentary evidence to complete the Claim within 21 days.

3 17. Claimants' responses to these letters were scanned into GCG's database and
4 associated with related Claims. These responses were then carefully reviewed and
5 evaluated by GCG's team of processors. If a claimant's response corrected the
6 deficiency(ies), GCG updated the database to reflect the changes in status of the Claim.
7 By the end of the response period, a total of 809 claimants submitted mailed responses to
8 Deficiency Notices. GCG also handled over 1,000 email responses to the deficiency
9 mailing and reviewed over 14,000 additional document submissions.
10

11 18. Attached hereto as Exhibit A is an exemplar of the Notices sent to notify
12 claimants of the deficiencies in their Claims.
13

14 LATE CLAIMS

15 19. In addition to 6,226 timely Claims, through December 31, 2011, GCG
16 received 325 unique Claims that were submitted after the June 20, 2011, deadline,
17 including 151 that were submitted by non-U.S. publishers and publishing administrators.
18 GCG received a further seventeen (17) claims between January 1, 2012 and December
19 31, 2012. GCG processed all late Claims received. GCG believes no delay has resulted
20 from the provisional acceptance of these Late Claims.
21

22 20. However, there must be a final cut-off date after which no more Claims
23 will be processed, so that there may be a proportional distribution of the Settlement Fund.
24 Accordingly, it is respectfully requested that this Court order that no Claim received after
25 December 31, 2012, be eligible for payment for any reason whatsoever. GCG has
26 received two (2) Claim submissions since December 31, 2012, which would be rejected
27 solely based on their late submission.

21. Class Counsel and GCG contacted the three main performance rights organizations (“PROs”) in the United States, ASCAP, BMI and SESAC, who had provided mailing data for the notice mailing, and requested information regarding their reported transmittals by the XM Service of titles contained within the catalogs of Participating Class Members during the Class Period. Between approximately March 2012 and March 2013, GCG and/or Class Counsel engaged in ongoing communications with the appropriate representatives with each of the PROs separately in an attempt to receive the requested information. Ultimately, the three (3) PROs provided a combined total of 125,741 lines of transmittal data for GCG’s review.

Promptly upon receipt of the transmittal data from the PROs, GCG reviewed the transmittal data and, following further communications with the representatives to resolve additional queries about the transmittal data, allocated the transmittals to Class Members based on the account information contained in the data. GCG also carried out an extensive review of the sound recording data provided by SoundExchange and engaged in communications with its representatives directly or through Class Counsel to ensure that the transmittals for any claimed sound recording identified in the data as having been transmitted were correctly allocated.

QUALITY ASSURANCE

23
24
25
26
27
23. An integral part of all of GCG’s settlement administration projects is our Quality Assurance review. GCG’s Quality Assurance personnel worked throughout the entire administration process to ensure that Claims were processed properly; that deficiency and ineligibility message codes were properly applied to claims; that

1 deficiency letters were mailed to the appropriate claimants; and that GCG's computer
2 programs were operating properly.

3 24. GCG's Quality Assurance team performed a final project wrap-up once all
4 of the Claims were processed, deficiency letters were mailed, and deficiency responses
5 were reviewed and processed, to ensure the correctness and completeness of all of the
6 Claims processed before GCG prepared its final reports to counsel. Here, in connection
7 with this Quality Assurance wrap-up, GCG: (i) confirmed that valid Claims have no
8 messages denoting ineligibility; (ii) confirmed that Claims that are ineligible have
9 messages denoting ineligibility; (iii) confirmed that all Claims requiring "deficiency"
10 letters were sent such letters; (iv) performed a sample review of deficient Claims;
11 (v) sampled Claims that had been determined to be ineligible in order to verify that all
12 Sound Recordings and Musical Compositions had been captured correctly; and (vi) tested
13 the accuracy of the *pro rata* calculation program.

14 25. In support of the work described above, GCG's computer staff designed,
15 implemented and tested (by our Quality Assurance Team), the following programs for
16 this administration: (i) data entry screens that store Claim information (including all
17 Musical Composition/Sound Recording data included on each Claim) and attach message
18 codes and, where necessary, text to denote conditions existing within the Claim; and
19 (ii) programs to generate various reports throughout and at the conclusion of the
20 administration, including lists of all eligible and ineligible Claims.

DISPOSITION OF CLAIMS

1
2 26. GCG completed the processing of 6,568 submissions from Claimants
3 received that were received on or before December 31, 2012. Of these: a) 998 Claims
4 were rejected because they were submitted by an excluded party⁶; b) 442 Claims were
5 rejected because they had other unresolved fatal deficiencies, such as not signing the
6 Certification in the Claim Form, not completing the Claim Form in full, or not indicating
7 which Settlement Class(es) they wished to participate in; c) 543 were rejected because the
8 Claimants did not claim any eligible Musical Compositions and/or Sound Recordings;
9 d) 422 were rejected for a combination of two or more of the above reasons, e.g. not
10 eligible for the Sound Recording Class and no eligible Musical Compositions; and
11 d) 129 Claims were rejected as duplicative.

12
13
14 27. Between July 2 and August 23, 2013, GCG mailed letters entitled
15 “Determination Letter” detailing the Settlement Administrator’s determination (including
16 rejection) of their claim and allowing 20 days for claimants who disagreed with the
17 determination to contest the findings. Determination Letters sent to Claimants with
18 Eligible Sound Recordings and/or Musical Compositions contained a Schedule listing the
19 titles of their Eligible Sound Recordings and/or Musical Compositions.

20
21 28. Following the mailing of Determination Letters, GCG received and
22 processed over 200 claimants’ responses (including responses from administrators
23 representing multiple catalogs), which were sent via U.S. mail and e-mail. Claimant
24 responses often included additional detailed supporting documentation and/or involved
25

26
27

⁶ Per ¶ II.50 of the Settlement Agreement, persons and entities connected with XM and the named plaintiffs in *Atlantic Recording* are specifically excluded from the Sound Recording Settlement Class. Per ¶ II.52 of the Settlement Agreement, persons and entities connected with XM and the named plaintiffs in *Famous Music* are specifically excluded from the Musical Composition Settlement Class.

1 further outreach by phone, email and/or U.S. Mail, which ultimately resulted in an
2 updated determination.

3 29. Upon review of a number of responses, the determination remained
4 unchanged. The Claimants were notified of the final outcome and were not able to
5 further dispute the determination. At the end of the response and review process, the
6 Administrator revised its determination of 258 Claims as a result of responses from
7 Claimants indicating that their original claim submission was erroneous and correcting
8 the error identified, or that the determination was incorrect and providing additional
9 documentation to support this assertion. In particular, one publishing administrator who
10 submitted 121 Claims was initially determined to be ineligible on the basis that they had
11 participated in the Famous Music Settlement but confirmed with the Harry Fox Agency
12 (“HFA”) that they did not participate and provided that confirmation to the Administrator.
13 The determination for all of these Claims was therefore revised, with seventy-eight
14 (77) Claims being found eligible and the remaining forty-four (44) being rejected on a
15 separate basis, namely, that they did not list any eligible transmittals.
16
17

18 30. Throughout the claim validation process, GCG has engaged in multiple
19 calls and communications with representatives of Merlin directly and through Class
20 Counsel, in order to validate the Claims Merlin submitted on behalf of its members. As
21 part of this process, GCG undertook an in-depth reconciliation of the data submitted by
22 Merlin and the data provided by SoundExchange in order to verify that the titles claimed
23 by Merlin were evidenced in the SoundExchange data and to determine the number of
24 eligible transmittals for its members. As part of this process, Class Counsel and GCG
25 also worked with representatives of SoundExchange and Merlin to confirm GCG’s
26 analysis and further validate Merlin member Claims for payment.

31. GCG has determined that 4,151 Claims should be accepted and that 2,419 Claims are duplicative, ineligible, deficient, do not have any eligible titles, or were received after December 31, 2012. A list of the Claims submitted and their ultimate disposition is contained in the Administrator’s Report (the “Report”) attached hereto as Exhibit B. Exhibit B-1, entitled “Eligible Claims,” lists all filed, provisionally accepted Claims and states their estimated Distribution Amounts. Exhibit B-2, entitled “Rejected or Ineligible Claims,” lists all wholly rejected or ineligible Claims, and states the reason for their rejection or ineligibility. For privacy reasons, Exhibit B provides only the claimant’s claim number, estimated Distribution Amount or reason for ineligibility (no names, addresses, Taxpayer ID or Social Security Numbers are disclosed).

THE SETTLEMENT FUND

32. An initial payment of \$5,377,177.00, constituting the Escrow Fund defined at ¶ 11. of the Settlement Agreement and comprising the amounts indicated at ¶ 53. of that document, was made to the Escrow Account on January 7, 2011. As of the date of this Declaration, twelve (12) Additional Musical Composition Settlement Class Payments \$122,291.54 have been deposited in the escrow account. The Settlement Funds have attracted interest totaling \$957.41, of which \$687.66 can be attributed to the Sound Recording Settlement Class Fund and \$269.75 can be attributed to the Musical Composition Settlement Class Fund. The Settlement Fund therefore totals \$5,500,425.95 prior to deduction of fees and expenses, being the aggregate of the Sound Recording Settlement Class Fund of \$3,950,687.66, which represents 71.825% of the Settlement Fund, and the Musical Composition Settlement Class Fund of \$1,549,738.29, which represents 28.175% of the Settlement Fund.

1 33. Pursuant to ¶ 18. of the Final Order and Judgment dated March 22, 2011,
2 Class Counsel was awarded fees of \$1,616,833.83 and expenses of \$172,355.16.
3 Attribution of Class Counsel's fees and expenses between the Sound Recording
4 Settlement Class Fund and the Musical Composition Settlement Class Fund based on
5 each Settlement Class Fund's proportional share of the Settlement Funds gives rise to a
6 Sound Recording Settlement Class Fund after deduction of Class Counsel's fees and
7 expenses of \$2,665,600.48 and a Musical Composition Settlement Class Fund after
8 deduction of Class Counsel's fees and expenses of \$1,045,636.48.
9

10 ADMINISTRATIVE FEES AND DISBURSEMENTS

11 34. GCG agreed to be the Administrator in exchange for payment of its fees
12 and out-of-pocket expenses. Class Counsel received regular reports of all of the work
13 GCG performed with respect to the administration of the Settlement, and authorized the
14 claims administration work performed herein. Pursuant to ¶ V.C. of the Escrow
15 Agreement, to date, Class Counsel has authorized payment to GCG of its fees and out-of-
16 pocket expenses in the amount of \$322,313.68. Due to the Claim validation efforts
17 undertaken at the direction of Class Counsel in conjunction with analysis of the
18 SoundExchange data and transmittal data provided by the PROs, GCG has invoiced fees
19 and expenses of \$322,222.26 that have not yet been paid and estimates an additional
20 \$27,085.64 in fees and out-of-pocket expenses will be invoiced. Therefore, GCG's total
21 fees and expenses not yet paid total \$349,307.90.
22
23

24 35. Expenses in the amount of \$111,740.00 were incurred and paid from the
25 Fund to obtain transmittal data from SoundExchange, and as such are solely attributable
26 to the Sound Recording Settlement Class. Expenses in the amount of \$21,500.00 were
27 incurred and paid from the Fund to obtain transmittal data from the PROs, and are

1 therefore solely attributable to the Musical Composition Settlement Class. Costs incurred
2 or anticipated in the amount of \$53,185.28 are not directly attributable to either
3 Settlement Class and should therefore be shared by both Settlement Classes.

4 36. In view of the volume of submissions received and the extensive
5 processing, review and outreach that GCG was required to carry out in relation to both
6 Settlement Classes, GCG considers an allocation based on the total number of titles
7 claimed in each Settlement Class to be the most equitable method of attributing the
8 administrative fees and those costs incurred that are not Class-specific. Based on the
9 number of titles claimed indicated in ¶. 12 of this Declaration, this would result in the
10 allocation of 52.258% of such fees and expenses to the Musical Composition Settlement
11 Class and 47.742% of those fees and expenses to the Sound Recording Settlement Class.
12

13 37. Combined with the Class-specific expenses indicated at ¶. 35, total fees
14 and expenses allocated in this manner would amount to \$432,384.35 to the Sound
15 Recording Settlement Class and \$372,477.23 to the Musical Composition Settlement
16 Class.
17

18 38. The Net Musical Composition Settlement Fund to be distributed in
19 accordance with the Court-approved Plan of Allocation totals \$673,159.25. The Net
20 Sound Recording Settlement Fund to be distributed in accordance with the Court-
21 approved Plan of Allocation totals \$2,233,216.13. GCG recommends that the Plan of
22 Allocation be amended to establish a reserve of \$25,000 for each Settlement Class. This
23 would give a Net Musical Composition Settlement Fund of \$648,159.25 and a Net Sound
24 Recording Settlement Fund of \$2,208,216.13.
25

26 39. According to the Plan of Allocation, the Net Musical Composition
27 Settlement Fund and the Net Sound Recording Settlement Fund shall be allocated pro rata

1 to the Musical Composition Settlement Class and the Sound Recording Settlement Class
2 based on the total allowed Musical Composition Claims and the total allowed Sound
3 Recording Claims, respectively. The estimated average payout per eligible claimant on
4 this basis, excluding deduction of a reserve or any other amounts approved by the Court,
5 is \$688.12. Upon approval by the Court, GCG will prepare and mail checks to Eligible
6 Class Members for their pro rata share of their respective Net Settlement Funds.
7

8 40. Should the Court concur with GCG's determinations concerning the
9 provisionally accepted and rejected claims, GCG recommends the following distribution
10 plan:

11 a. GCG will calculate the Distribution Amounts for all Eligible
12 Settlement Class Members by calculating their pro rata share of their
13 respective Net Settlement Funds in accordance with the Court-approved
14 Plan of Allocation, incorporated into the Settlement Agreement as Exhibit
15 H.
16

17 b. GCG will distribute the Net Settlement Funds, after
18 deducting the payments previously allowed and requested herein, and after
19 the payment of any estimated taxes and the costs of preparing appropriate
20 tax returns and any escrow fees, to the Eligible Settlement Class Members
21 based on their Distribution Amounts.
22

23 c. In order to allow the full and final distribution of the Net
24 Settlement Funds, it is necessary to bar any further Claims against the Net
25 Settlement Funds beyond the amount allocated to Eligible Settlement Class
26 Members, and to provide that all persons involved in the review,
27 verification, calculation, tabulation, or any other aspect of the processing of

1 the Claims submitted herein, or otherwise involved in the administration or
2 taxation of the Settlement Funds or the Net Settlement Funds, be released
3 and discharged from any and all claims arising out of such involvement.
4 Accordingly, GCG agrees with Plaintiffs' Counsel's request that the Court
5 bar any further Claims against the Net Settlement Funds beyond the amount
6 allocated to Eligible Settlement Class Members, and that the Court release
7 and discharge all persons involved in the review, verification, calculation,
8 tabulation, or any other aspect of the processing of the Claims submitted
9 herein, or otherwise involved in the administration or taxation of the
10 Settlement Funds or the Net Settlement Funds, from any and all claims
11 arising out of such involvement.
12

13
14 d. No Claims received after December 31, 2012, may be

DEFICIENCY NOTICE

Dear Claimant:

The Proof of Claim submitted on behalf of the above claimant in connection with *Nota Music Publishing, Inc., et al v. XM Satellite Radio, Inc.* was processed and found to be deficient for the following reason(s):

- Claimants participating in the Sound Recording Class may include in their claim Qualifying Sound Recordings transmitted by XM Satellite Radio ("XM") during the time period April 1, 2006 through December 6, 2010. We have compared your Sound Recordings claim with information received from SoundExchange and were unable to match any of your Sound Recordings claims with those which SoundExchange records indicate were transmitted by XM during the Class Period.

If you have strong reason to believe that a particular sound recording is eligible for payment, please send a detailed affidavit setting forth the particular sound recording(s) that you believe were transmitted by XM during the Class Period and any specific information supporting your belief that the sound recordings in question are Qualifying Sound Recordings, along with any documents constituting evidence of your statement. Submissions consisting solely of a list of sound recording titles without evidence of transmission by XM during the Class Period will be rejected.

- Claimants participating in the Sound Recording Class may include in their claim Qualifying Sound Recordings transmitted by XM Satellite Radio ("XM") during the time period April 1, 2006 through December 6, 2010. Based on information received from SoundExchange, we were able to determine that the Sound Recordings pre-printed on Schedule 1 of your Proof of Claim were transmitted by XM during the Class Period, a copy of which is appended.

If you have strong reason to believe that a particular sound recording for which you were not preliminarily identified as the proper Claimant is eligible for payment, please send a detailed affidavit setting forth the particular sound recording(s) that you believe were transmitted by XM during the Class Period and any specific information supporting your belief that the sound recordings in question are Qualifying Sound Recordings, along with any documents constituting evidence of your statement. Submissions consisting solely of a list of sound recording titles without evidence of transmission by XM during the Class Period will be rejected.

- We have reviewed your Musical Compositions claim but have been unable to confirm that the titles you have claimed are Qualifying Musical Compositions. Generally, only those musical compositions whose transmittals on the XM Satellite Radio service are reported on your ASCAP, BMI or SESAC statements during the Class Period are eligible for payment under the Settlement.

Unless you provide us with a list of eligible musical compositions together with copies of documents tending to support the claimed titles (i.e., royalty statements), we will have no choice but to limit your claim to those titles supported by royalty statements already submitted, if any. The list of titles should include the following information: title, represented composer(s), percentage interest held in each title, and administrator. If you have strong reason to believe that a particular musical composition is eligible for payment but is not reported on your royalty statements, please send a detailed affidavit setting forth the particular musical composition title(s) that you believe were transmitted by XM during the Class Period and any specific information supporting your belief that the musical compositions in question are Qualifying Musical Compositions, along with any documents constituting evidence of your statement.

Submissions consisting solely of a list of musical composition titles without evidence of transmission by XM during the Class Period will be rejected. Your list of claimed titles should be submitted as an email attachment to NotaVXM@gcginc.com using a spreadsheet format. Please note that we do not have access to your ASCAP, BMI or SESAC statements; you must provide copies to us. *If you are an ASCAP member, please provide your ASCAP membership number and sign the authorization below.*

ASCAP MEMBERS ONLY: I hereby give permission for The Garden City Group, Inc. and/or Class Counsel to share my claim information with ASCAP in order to facilitate the processing of my claim.

Please complete the attached Exhibit, listing only those Sound Recordings/Musical Compositions that were transmitted by XM during the Class Period, and return the completed Exhibit together with copies of royalty statements supporting your claims. If you have strong reason to believe that a particular title is eligible for payment but you are unable to provide supporting royalty statements, please send a detailed affidavit setting forth the particular title(s) that you believe were transmitted by XM during the Class Period and any specific information supporting your belief that the titles in question are Qualifying Sound Recordings or Qualifying Musical Compositions, along with any documents constituting evidence of your statement. **Submissions consisting solely of a list of titles without evidence of transmission by XM during the Class Period will be rejected.**
- You did not include the Tax Identification Number (“TIN”) for the above claimant. A TIN is required for tax purposes.
